DANCE-SEPT 6

*Please see map in this issue
for directions to B.C.T. Union
Hall, 4532 New Getwell Road.*

On Friday, August 23, 1991, the Management of Desperado's called all Board members present into his office for a conference. This conference was to inform us that the Club would no longer be able to use Desperado's on Friday nights for The Memphis Bop Club dancing. That Corporate Headquarters had informed him this would be the last night for The Memphis Bop Club at Desperado and from now on Friday's would be devoted to country music. This was not the decision of the Management of Desperado's but came from the owners in California. We were told that if any Bop Club member wishes to come to Desperado on Friday night, then admission will be free if a valid Bop Club Membership Card is presented at the door. We were also informed that Desperado would continue to welcome us for dance lessons (bop lessons) on Tuesday nights at 7:30 p.m., and that Sunday nights would continue to be a mixture of 50's, 60's and country music but would not be considered Bop Night.
